

***FRIENDS OF THE SCRANTON MEMORIAL LIBRARY
MADISON, CT***

A Special invitation to become a Friend of the Library

You are cordially invited to become a Friend of the Scranton Library or, if you are already a member, to renew your annual membership. Friends are supporters of the Library who offer time, talent, and resources to fund the extras that the Library budget cannot provide. For example, the Friends organize and provide funding for the many free programs for adults such as the Galleries in Motion art lectures now in their 27th year and the many popular children's programs as well as concerts, discussion groups, and eight yearly bus trips to New York. Window darkening shades and rain bags are just two examples of the extras funded by the Friends. In addition, our volunteers spend countless hours preparing audio visual material, shelving and repairing books, helping with mailings, and sorting books for the annual Summer Used Book Sale, our major fund raiser.

Won't you join these special members of the Madison community who care about the Library and its future and who derive deep satisfaction from supporting this important town resource? If you choose to join the Friends and to support this vital group financially and or by working on a specific project, please detach and fill out the bottom half of this letter and return it in the enclosed envelope. Your effort on behalf of the Scranton Library will be a significant contribution to the enrichment of Madison.

Thank you on behalf of the Board of Directors of the Friends of The Scranton Library.
