Libby is made possible by your local library and built with ♥ by OverDrive.

The Libby app is the easiest way to get started with digital books, audiobooks, and magazines from your public library!

0

Install the Libby app from the app store on your Android or iOS (iPhone/iPad/iPod touch) device. Or, visit <u>libbyapp.com</u> in your Chrome, Firefox, Safari, or Edge browser.

2

In Libby, follow the prompts to find your library and sign in with a valid library card.

3

Browse your library's collection and borrow a title.

4

Borrowed titles appear under *Shelf > Loans* and download to the app automatically when you're on Wi-Fi, so you can read them when you're offline.

From your **Loans**, you can:

- Tap Read With... to choose whether you'd like to open a book in Kindle (U.S. libraries only) or Libby.
- Tap Open Audiobook or Open Magazine to start reading or listening to that title.
- Tap Manage Loan to see options like Renew and Return.

Happy reading!
