A New Chapter - Summer
Stories Edition

Volume 1, Issue 1
September & October
2020

From the Director

What a summer this has been! We hope you are doing well and that you and your loved ones are staying safe and healthy. COVID-19 has turned the world on its head. Even though we were not able to open our doors as expected in July the library staff has not slowed down with moving into the new building, online programming, and curbside pick up of library materials.

The Children's and Adult departments have averaged nine virtual programs a week including a wide variety of events such as E-book Clubs, Writing Wednesdays, Sunday Movie Matinees, and Virtual Trivia. Our Children's Department moved its entire Summer Reading Program online in addition to providing weekly Story Times, STEaM programs, Take Home Tuesdays, and a Family Mindfulness program. Participants tell us these programs were an important way for them to stay connected with their community during such a difficult time.

Additionally, use of E-books and other digital downloads increased by over 35% and use of Kanopy, our subscription movie database, rose over 100%!

We are embarking on an exciting new chapter in our Library's history and we hope that this new bi-monthly newsletter will be another way for you to keep up with everything we offer and give you a chance to peek behind the scenes too. Not all of our library's stories are on the shelves - we have some stories to tell you too! I hope you enjoy this first edition of the Scranton Library newsletter and that we'll see you soon at 801 Boston Post Road.

Sincerely,
Sunnie Scarpa
Library Director

RE-OPENING PLANS

We are very excited to announce that library use by appointment will begin on Wednesday, September 16th.

Appointments times will be available Monday – Friday, with additional computer only appointments on Saturday mornings.

Guests will have two hours to use library computers, print/copy, browse the collection, check out materials, and of course – view the beautifully renovated and expanded facility!

While this limited capacity is not what we envisioned for our Grand Re-opening, we're committed to ensuring a welcoming and safe environment for all library users and staff members.

More information is available on our website at scrantonlibrary.org. Call and make an appointment today at (203) 245-7365!
