

Recommendation of Library Material

The Scranton Library recognizes the importance of hearing from the public regarding material selection. The Library Administration and Staff seriously consider suggestions made by Madison residents and taxpayers. The completion of the form for *Recommendation of Library Material* does not guarantee either accession to the collection, but does ensure the attention of designated professional Library staff members to user opinion, interests and concerns.

Title:

Author (if appropriate):

Patron making request:

If you would like this item to be put on hold for you, in the event the item is added to the collection, please write your library card number here:

Telephone:

Address:

Email:

To recommend an item for the library's collection, please answer the following questions:

1. Are you a Madison resident and/or taxpayer?
2. What is the subject of the recommended item?
3. Have you read or viewed the recommended item?
4. Why do you think it should be added to the library's collection?
